ADDITIONAL INFORMATION:

- All monthly dues must be set-up for automatic charge to a credit or debit card.
- No waiting periods! You are eligible for your first visit after the first monthly due is paid.
- You must qualify for one of the above plans. Your individual plan will be determined by your dental hygienist and may require an initial evaluation appointment.
- Your dental health will be re-evaluated each year to determine if you still qualify for your enrolled plan.
- Patients with active periodontal disease may be required to complete comprehensive periodontal therapy before qualifying for one of the above club plans. Prices will be determined at your initial examination.

PREVENTATIVE PLANS CANNOT BE COMBINED WITH ANY OTHER OFFER

Including Care Credit interest free plans.
